

Pass Task: Evidence Learning Module 1

Overview of the task

You need to demonstrate and provide evidence of your understanding of the Module.

Submission Details

- `module_evidence.pdf`

Instructions

To pass this unit, you must provide evidence of your learning for each module.

1. Create a document that demonstrates your understanding of the module.

For this module, create a single document that summarises your understanding of everything you have learnt. Provide examples from the activities.

Include, the following. Evidence can be anything that you think will demonstrate your learning from this module. This can be notes, presentations, photos, screenshots, code, mindmaps or anything else.

You can use evidence of these learning objectives from the module class activities - or provide your own evidence. Refer to the unit site for this module for guidance.

Include at least the following.

- Week 1: Class Discussion Evidence
- Week 1: Group Activity Evidence
- Week 1: Technical Task Evidence
- Week 2: Class Discussion Evidence
- Week 2: Group Activity Evidence
- Week 2: Technical Task Evidence

You should also comment on how you could apply what you have learnt going forward.

2. Export this document as a pdf e.g. `module_evidence.pdf`.
3. Submit all required files to [Ontrack](#).
